## Halachic Corner

The minhag of most (not all) Ashkenazic communities is to say the first Selichos on Motzai Shabbos after Chatzos because the first Selichos mentions several times, wording that indicates the middle of the night. Piskei Tshuvos 581:2 FN12,15, Igros Moshe OC 2:105

The source is brought in the Leket Yosher in the name of a talmid of the Terumas Hedeshen to begin whilst still in the Simcha of Shabbos, wearing Shabbos clothing. Piskei Tshuvos 581:2

The most preferable times to say Selichos are at night after Chatzos, or early in the morning within 3 hours before daybreak. It is also acceptable, but not preferable, to say Selichos after daybreak, and finally, bidieved, all day. Shulchan Aruch w/Mishnah Brurah 581:1, Piskei Tshuvos 581:2, S'U Yechave Daas 1:46
