If you check “YES”, then if someone has sent to you, we will automatically include your name on that person’s package – even if you did not indicate their name above. We will bill you for each name that is added. Please note: You must order at last one package in order to sign up for reciprocity.

**Step 3 – Ordering for Students in America and Israel**

We are happy to arrange for having a special Shalach Manot package shipped to your children or grandchildren studying in university or yeshiva. The cost is \$25 per person. Please include the complete name and mailing address for each student, and attach it to this order form.
