Baron Hirsch welcomes Yael & Emanuel Elstein

Both Yael and Emanuel were born in America, and their parents made Aliya when they were young. Yael was born in Detroit, and grew up in Jerusalem from age 3. She spent a year of her national service as a shlichah in Milwaukee.

Emanuel also grew up in Jerusalem after his parents made Aliya from New York. He attended High School in Efrat, and then went to Hesder Yeshiva in Otniel. He was a tank commander in the army, and after he finished Yeshiva he went on Shlichut through Torah Mit Zion to Silver Spring.

Yael and Emanuel met at a Torah MiTzion conference in St. Louis, married and moved back to Jerusalem. Emanuel has been working in the World Bnei Akiva, in charge of screening and placing shlichim. Yael is a certified paramedic and has been working in an emergency medical center. They have three children – Shlomo (age 5), Tzvi (age 2) and Hodaya (7 months).

We are pleased to announce that Yael and Emanuel Elstein will be joining the Baron Hirsch educational and programming team on August 3rd. Yael will be directing youth activities for our early and middle school age children. She will have involvement in planning both Shabbat morning and afternoon activities, as well as special holiday events throughout the year. She will also be an educational associate where she will coordinate several areas of adult educational programming, especially as it pertains to women's learning and Israel oriented programming.

Emanuel will develop and oversee teen programming, as well as programming for college students and young couples. Two major programs that he will be overseeing are our Shoah and Tkuma program, which was established four years ago and has already sent thirty teens to Israel and the Keshet Konection program, which was begun three years ago by the Memphis Jewish High School. He will also be active in our Educational Institute, and will be a Rabbinic Assistant to Rabbi Finkelstein.

Yael and Emanuel will be available for living room classes, lunch and learns, or one-on-one learning sessions. Speak to them, or to Rabbi Finkelstein, if you would like to start such a program.

In looking forward to their new positions, the Elsteins stated, "We are all very excited to be coming on Shlichut to Memphis! Our children are already looking forward to getting on a plane. We've met many people who have told us how warm and friendly the community is. We are hoping to become part of your lives, and you a part of ours and we hope to get to know you all as quickly as possible."

A Note from Our Senior Rabbi Shai Finkelstein

"I am so excited to have Yael and Emanuel joining our shul educational and programming team. There are so many programs for children, teens, young couples and adults that we are about to initiate and the Elsteins will be a vital part of these programs. They are anxious to work with each one of you and I am sure that the entire congregation will reach out to them as well, learn with them and be inspired by them."
