## SIMCHAT TORAH CHILDREN'S TALIT

After a two year hiatus during the pandemic - we are looking forward to bringing back our Simchat Torah Children's Talit this year. This giant Talit is used during the children's aliya on Simchat Torah, and already has the names of over 300 children, grandchildren and great grandchildren embroidered in its fabric.

This summer, we invite those who have not yet had the chance to participate to add English names of their loved ones into the Talit. We have been blessed with many new members over the past three years, as well as many wonderful births, thank G-d, and now is the time to make significant additions to this most precious object in our congregation.

There is a \$34 donation per child, and all funds support our Youth Department. You may submit 2 names for each child (ie first & last, middle & last, or first & middle). There is a \$10 fee per child for a third name (ie first, middle, last).

**Contact the office to register**

#### Pledges received as of July 21st

Our "Waves of Our Future" initiative seeks to raise funds to assist in the completion of construction, furnishings and décor of our new mikvah, as well as future operations and ongoing maintenance.

We've got tremendous momentum building with many generous gifts from throughout the community, and the new mikvah has generated much excitement. We still have work to be done, so please consider your gift to this once in a generation opportunity.

## Message to the Congregation

Dear Friends,

We recently undertook a massive project to clean all of the carpets in our building.

We are blessed with a wonderful facility – our magnificent sanctuary and social hall, as well as the newly renovated wing that was just finished this year. While we all enjoy and treasure these spaces, there are times when we fall short of treating them with the respect they deserve.

We ask moving forward that all of us make a stronger effort to maintain the dignity and beauty of our facilities. You can help our staff by taking a moment to throw trash away after kiddush or a meal. We are also asking that food and drink be limited to the areas of food service for each event, and that items not be removed from the rooms where they are being served. Food should not be in the sanctuary or hallways.

These requests apply to both adults and children, and parents can remind their children that our shul is truly special and helping our staff by throwing away our trash and cleaning up our books and toys. Together we can better maintain our facility and show the respect to our makom kadosh – holy place.

We appreciate your cooperation.

Board President
