Memphis Mikvah Campaign Pledges received as of June 16th

Our "Waves of Our Future" initiative seeks to raise funds to assist in the completion of construction, furnishings and décor of our new mikvah, as well as future operations and ongoing maintenance.

We've got tremendous momentum building with many generous gifts from throughout the community, and the new mikvah has generated much excitement. We still have work to be done, so please consider your gift to this once in a generation opportunity.

If you have any questions or would like to discuss your giving opportunity, please reach out to Penina Wender at pkwender@gmail.com or David Cooper at dcooper@cooperhotels.com.

Our Tree of Life Simcha Board

Our Tree of Life Simcha Board has been reinstated across from the Fogelman Foyer. For over 30 years, the Tree of Life has provided a way for members and friends to create a permanent memento of a special moment in people's lives - including birthdays, anniversaries, bar mitzvahs, weddings and more.

Please contact Gwen in the office about marking a simcha of someone in your family or friend group on the Tree of Life.

Leaves on the Tree of Life are available for a \$360 donation.

Thank you to the Memphis community

The Powers family - Brent, Robin, and Judah - thank the entire community for their overwhelming support during this difficult time. We have only been in Memphis a little over two years, and our beloved Asher was here for only one. The outpouring of love and sympathy, and everything the community has done to support us and our extended family has been overwhelming. We especially want to thank Rabbi and Layala Males who notified all the necessary people and coordinated the details of Asher's travel to and burial in Israel, our friends who saw to the details of life when we couldn't, and everyone who continues to do a lot of hand holding.

Throughout his life Asher was known as being "a charming young fellow." We hope he was able to share some of that charm with all of you during his brief time here, and that you were able to experience his amazing smile. Asher believed that the best legacy a person can leave is to help the people who come after. In that spirit, we have chosen to remember him with projects that we believe are meaningful to the many communities that were touched by his short life. These projects can be found at <https://tinyurl.com/AsherPowerszl>.

We deeply appreciate the Memphis community and will always remember your kindness and generosity.

Brent, Robin, and Judah Powers
